Under Secy., P.H.S. Dept. (S. W.)

A.F. Dept.

29) P.H.S. Department has agreed to the proposal of the Revenue Department for the release of an area of 215 Acres. In this connection, please see the C.C.F. letter dated 29-6-1965 at page 15 c/f. On the recommendations of the Committee, Govt. in their order No. AFD 464 FGL 59 dated 11-1-1961 (flag 'A') had accorded sanction for the release of an area of 466-26-0 Acres from Mavalli, Heggakop and Masalli villages & also reported that these areas are sparsely wooded lands with hardly any valuable tree growth and appear to be suitable for garden and/or wet cultivation. The CCF has also stated that it is reported that the land released not unsuited for Tari cultivation and the expropriated ryots ~~xxxxx~~ would be unwilling to settle on these lands. Hence CCF has no objection to accept the proposals of the D.C., for the release of an area of 215 Acres out of the area of 466-26-0 Acres already ordered for release in G.O. dated 11-1-1961. However, CCF has felt a doubt that when the land is reported to be unsuitable for purposes of Tari cultivation, how best it could be utilised for the formation of an Agricultural Colony ~~needs consideration~~. As the area requested for release forms a part of the area already released vide G.O. dated 11-1-1961, as per the proposals of the C.C.F., no action appears to be necessary in A & F Deptt., and hence the file may be referred to R.D. for further

In submitting herewith the copy of the proceedings of the scheduled Castes Advisory Board Siddapur which met on 3.12.61 with its accompaniments, I have to state as Under:-

3. In this case it has been suggested to settle 40 scheduled Class families in an area of 215 acres out of the area disfores--ted in G.O.No.AFD 464 PGL.59. dated 11.1.1961, in the villages notes in the margin for rehabilitation of the expripriated ryots affected by the Sharavati Hydro Electric Project and grant the remaining area of backward class and other cultivators. Government in their letter under reference, have enquired as to whether the lands released in G.O.No.AFD. 464 FGL.59. dated 11.1.1961 could be assigned to these families in addition to the displaced persons.

4. The lands shown in para 3 above were disforested in Government Order No.AFD. 464. FGL.59. of 25.3.1960 and 11.1.61 for rehabilitation of the expropriated ryots affected by the Sharavati Velley Hydro Electric Project and Bhadra Project on the recommendation of the Divisional Commissioner, Mysore and the Chief Conservator. From the copy of the letter No.RRC 75/59-60, dated 5.4.1961, from the Special Land Acquisition Officer S.V.H.E.P. Sagar to the Special Officer for Rehabilitation (copy endorsed to this office) it seems that he had proposed cancellation of the release of the said areas as it was observed that the area is not suited for wet cultivation. It is not however known whether Government have subsequently cancelled their order of 11-1-1961 as no orders in that connection were received nor has any application for grant from the expropriated ryots of the S.V.H.E.P. too been received.

4. In view of the letter of 5.4.1961, from the Special Land Acquisition Officer it is unlikely that the expropriated ryots would be willing to settle on the lands under reference. Government may therefore kindly be moved to amend their order No. AFD 464- FGL.59. dated 11.1.1961 to enable submission of definite proposals for formation of a colonization scheme to settle 40 scheduled class families.

AGRL & FOREST DEPT. (RECEIPT & ISSUE)

Sir,

Sub:-Lands. Kanara Heggekop etc. taluka Siddapur - grant of certain at for starting an agricultural colony.

Ref:-Your letter No.AFD 162 FGL 63 dated 7-12-63 and subsequent expeditors dated 19-1-1965 and 26-4-1965.

As per the recommendations of the Divisional Commissioner, Mysore and the Chief Conservator of Forests in Mysore, Bangalore, after Joint Inspection of the area, the Government were pleased to disforest an area of 466-26-0 acres from Mavalli, Heggakop and Magalli villages under their order No.AFD 464 FGL 59 dated 25-3-1960 and 11-1-61-kindly vide Divisional Commissioner, Mysore's No.PC.114/59-60 dated 18/20-10-1959. These areas are sparsely wooded lands with hardly any valuable tree growth and appear to be suitable for garden or wet cultivation.

In the proceedings of the meeting of officers held under the Chairmanship of the Minister for Forests at Sagar on 29-3-1961 it was pointed out that the forest land released in G.O.No.AFD 464 FGL 59 dated 11-1-1961 be cancelled as it is found that the area is not suitable for cultivation and proposals for release of alternative areas in other forest land be made. The special Land Acquisition Officer, S.V.H.E.P. Sagar has also reported in his No.RRC-75/59-60 dated 5-4-1961 that the land is unsuited for Tari cultivation and the expropriated ryots would be unwilling to settle on these lands.

I have therefore no objection in accepting the proposal of the Deputy Commissioner, Kanara for the formation of a colonization scheme to settle 40 scheduled class families in an area of 215-0-0 acres out of the area of A.466-G.26-0 already disforested. But when the land is reported to be unsuited for Tari cultivation how best it could be utilised for the formation of an agricultural colony needs close consideration. The question of rehabilitation of expropriated ryots of Bhadra, ~~by the special Land Acquisition Officer, S.V.H.E.P. Sagar~~ Tungabhadra, and Sharavathi is being pursued by the Special Land Acquisition Officer, S.V.H.E.P. Sagar.

I therefore request you to kindly move Government to amend the G.O. dated 11-1-61 to the extent indicated above to enable the Deputy Commissioner, Kanara to submit his proposal for colonization scheme.

Yours faithfully,

V. S. [illegible]

Chief Conservator of Forests.

Dear Shri Balachandran

Sub:-Lands. Kanara, Heggekop etc. Siddapur taluka for starting an Agricultural Colony.

Please refer to your D.O.letter No. AFD 162 FGL 63 dated 21-6-65 on the above subject. I was awaiting the remarks of the Conservator of Forests, Belgaum on this proposal on the latest developments as these areas were ordered for release in ~~June~~ March 1960. In view of the urgency I have this day submitted my report to Government in the Administrative Department. A copy of the same is enclosed herewith for your information.

The delay in the circumstances may kindly be overlooked.

Yours
